

Letter of RoHS Compliance

Dear Valued Customer,

In respect to industry-wide initiatives to provide environmentally friendly products, Cobalt Polymers is pleased to advise you that we are in compliance with restrictions of certain hazardous substances under the Restriction on Hazardous Substances (RoHS) Directive 2002/95/EC.

Cobalt Polymers Heat Shrink Tubing products do not include Lead, Mercury, Cadmium, Hexavalent Chromium, PolyBrominated Biphenyl (PBB), PolyBrominated Diphenyl (PBDE) or their compounds.

Based upon a careful review of our company's product specifications and the specifications reported by our suppliers, to the best of our knowledge the products Cobalt Polymers declares as RoHS compliant do not contain any of the restricted substances.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Foley", with a long, sweeping line extending upwards and to the right from the end of the signature.

Robert Foley
President
Cobalt Polymers
